Spark your creativity with Lynda.com's new course. [1]

May 3, 2017 by Employee Services [2]

Do you ever feel that you can’t come up with original ideas, both inside and outside work? Let CU help get your creative juices flowing with Lynda.com’s latest course, Creative Thinking.

This 45-minute session walks you through understanding creativity and learning different techniques to apply your innovative ideas, as an individual and a group member. Ranging in topics from barriers that affect your creativity to selecting your finest ideas, you will learn how to become more creative in your everyday and professional life.

Lynda.com offers an online library of more than 5,000 instructional videos and courses covering the latest software, creative and business skills. Gain leadership expertise or brush up on your Excel proficiency simply by watching a video. You can even learn on-the-go without worrying about a Wi-Fi connection. Download videos onto your computer and start building your knowledge anytime, anywhere.

As a CU employee, you have unlimited access to Lynda.com.

To access Lynda.com:
