Unlock your potential with LinkedIn Learning: Top courses and developing skills to boost your career [1]

February 10, 2025 by ES and UIS Communications [2]

We all strive to grow in our careers, and one of the most effective ways to do so is by investing in continuous learning. That's why the University of Colorado offers LinkedIn Learning to all faculty, staff and students. The platform offers more than 23,000 courses taught by experts in multiple formats and 24 languages.

"Employess should take LinkedIn Learning courses as part of their personal and professional growth toward improving their skills and knowledge for their current position or for a position they hope to get into," said Laura Siedzick, training and content manager for Employee Services.

Below, we've created a list of the Top LinkedIn Learning courses and skills in high demand to guide your learning journey.
