Getting paid is a two-way street. You've done your part by compelting your W-4, setting up your direct deposit, deciding on deductions and regualrly tracking your work hours. From htere, the Employee Services' payroll team gets to work taking care of the rest.

That’s why in celebration of this year’s National Payroll Week (Sept. 3-7), we recognized the work they do to ensure you’re paid correctly and on time .

This year alone, our hardworking team has:

- Issued 602,000 paychecks worth $2.1 billion to around 35,000 CU employees
- Corrected about 700 checks monthly
- Solved over 22,000 problems and more
