Café Pédagogique [1]

COLTT 2020 ?Café Pédagogique

What is it?

Café Pédagogique, hosted this year by former CU regent Steve Ludwig, promises a lively discussion, and even some gamification, of relevant topics in teaching and learning with technology in a friendly and relaxed atmosphere. Be ready to lift a glass of the beverage of your choice with us!

'Café Ped' was created for the COLTT conference in 2008 and has been a part of the conference ever since. It is based on the internationally popular Café Scientifique that is similarly relaxed and participatory. In 2010, another Café Péd was introduced in the form of monthly meetings on the Anschutz Medical Campus.

Where is it?

The 2020 Café Pédagogique will be held online. Information to come!

How do I sign up?

Sign up for Café Ped is part of the COLTT Conference registration [2]. It is an additional event to the regular COLTT Conference schedule, and this year, is included with registration!

Groups audience:
Colorado Learning and Teaching with Technology
