About Corporate Sponsorship

COLTT corporate sponsors have contributed to COLTT in a variety of ways. Sponsors can choose from several options including sponsoring refreshment breaks, advertising in the

printed program, having a presence here on our web pages, and more. In addition, corporate sponsors often send presenters who will host sessions and booths to demonstrate their products and how they enhance teaching and learning with technology.

Please contact Jill Lester at jill.lester@cu.edu [2] if you are interested in becoming a COLTT sponsor.
