*Dr. Deborah Keyek-Franssen: There Should Have Been Hoverboards.
Thank you to all COLTT 2024 participants for convening
with the shared imperative to harness the
timeless wisdom of the past to cultivate the agility needed*

The Colorado Learning and Teaching with Technology (COLTT) conference is thrilled, to announce Dr. Deborah Keyek-Franssen, Ph.D., Associate Vice President and Dean of University Connected Learning (UCL) at the University of Utah as the

keynote speaker for COLTT 2024.

COLTT 2024 Sponsors

Dr. Deborah Keyek-Franssen's keynote - There Should Have Been Hoverboards.

We Got AI Instead - promises to be a captivating exploration of nostalgia.
