COLTT 2021 will be held on Wednesday, August 4 and Thursday, August 5!

Want to know the amazing sessions we had at COLTT 2020? Check out our [schedule](#) [1]!

We were so glad to have Amy Collier as our [2020 keynote speaker](#) [2]. She prepared a wonderful session, "*From Curb Cuts to Discotechs: How Inclusive Design and Design Justice Can Shape our Classes and Communities*", and it is something you definitely want to see!

WHAT
IS
COLTT

COLORADO LEARNING AND TEACHING WITH TECHNOLOGY

COLTT engages participants in learning about teaching practices and technologies, challenging the way they think about both. By attending sessions and hands-on workshops, attendees are able to network and gather effective practices that change the way they teach and learn in classrooms, online, and in virtual environments.

COLTT 2019 featured full conference tracks on open educational resources (OERs), a virtual reality expo (XR), and accessibility.

COLTT 2020's keynote speaker was Amy Collier.

2020 SESSION TOPICS INCLUDED:

- Accessibility and Universal Design for Learning
- Affordable Learning Solutions and OpenEd
- Data-driven and Personalized Learning
- Diversity, Equity, and Inclusion
- Dynamic Instructional Approaches
- Hacks for 2020+ - Tools and Practices
- Rise of the Digital Native, Return of the Adult Learner, the Online Student Awakens

WHO IS COLTT

Attendees join us each year from a broad range of educational institutions and private organizations. Many Colorado colleges and universities are well-represented, as are numerous post-secondary schools and community colleges from the Rocky Mountain region.

We also host national and international attendees from a number of places each year. Renewal credit for education is available where applicable, and upon request by attendees.
