Vendor Sponsorship [1]

Harnessing the timeless wisdom of the past to cultivate the agility needed for today's ed tech landscape

On the fast-forward trajectory of technology, COLTT pauses in 2024 to look back to remember that change is a constant. When technology causes disruption, it often brings solutions as well. The COLTT community can best prepare for what's ahead by drawing on the wisdom cultivated over years of convening, exchanging, and experimenting.

Vendor sponsorship for the COLTT 2024 conference is now available!

Submit your sponsor proposal by July 15th!
