Brett Rogers [1]

Brett Rogers is the Organizational and Employee Development Program Director at the University of Colorado Boulder. Brett has a Bachelor's of Business Administration degree in Human Resources from the University of Colorado Boulder.

Brett has been working at the University of Colorado Boulder since 2007. Prior to joining the University, Brett followed his passion for food and worked in the restaurant industry as an operator, chef, and training manager. Brett's passion and experience in teaching, training, and organizational development led him to his position with the University of Colorado Boulder.
