Antonio Gilbert [1]

Financial & Reporting Systems - Financial Systems Analyst

Antonio works with a team of analysts that are responsible for providing support to all of the business users of the Finance System including General Ledger, Accounts Payable, Billing, Accounts Receivable, and Asset Management; as well as subsystems interfaces including HCM, Campus Solutions, Concur, Marketplace.

Questions Antonio Can Answer

- How can I check the status of my journal in PeopleSoft?
- How to add new customers and contacts for invoicing?
- How can one add/remove delegations and approval access within Concur?
- Why is my Speedtype/Project inactive or not processing?

Facts

- Antonio has a finance degree from Northern Arizona University.
- He enjoys collaborating with other university departments.
