Brian Dyet [1]

Financial Services & Solutions (FSS) - Learning Technology Specialist

Brian creates online tools and software solutions to respond to a variety of finance needs -- including transforming Excel (paper) forms into automated/validated systems and developing online interactions to promote learning and retention.

His focus is on the PeopleSoft Finance System and the m-Fin reports in the CU-Data (Cognos) Reporting System.

He further serves as a resource in interpreting finance policies and procedures. He also supports website update projects for the Office of University Controller (OUC) .

Questions Brian Can Answer

- What is the appropriate policy/procedure to review before making a purchase using University funds
- Which CU-Data m-Fin Report do I run to find out my available balance

Facts

- Brian joined the University in April 2008
- He was the “2013 President’s Employee of the Year Award” recipient
- Brian has two (2) degrees from the University of Colorado: BS in Accounting and MS in Organization and Management
