Cal Anderson [1]

Director of Financial & Reporting Systems

The Financial Systems team is responsible for supporting users in the areas of general accounting, accounts payable, sponsored project billing, asset management, and accounts receivable. We also administer security to all financial and procurement systems. The Reporting Systems team is responsible for developing and maintaining reports in the Cognos reporting system for use by campus controllers, project accountants, and departmental accountants and fiscal managers.

Questions Cal can answer

- How can I get transactional detail for a journal?
- How can I update the approvers for speedtypes and expense reports?
- I have a journal that will not post, how can I fix it?
- Why is this entry showing up on my speedtype report?
- How can I request a new m-Fin report or a change to a report?

Facts

- Cal has an MBA from the University of Colorado Boulder and has 2 daughters who are also graduates.
- He started working for the University in July 2009.
