Chris Seek [1]

Financial Services & Solutions (FSS) - Multimedia Communications Program Director

Chris develops and maintains the online presence for the CU System Office of University Controller. He is responsible for website design and communications and for digital design/multimedia strategy to further both long- and short-term missions and goals.

Questions Chris Can Answer

- This link on the OUC website is broken
- What tools do you use to create your explainer video animations?
- Will your team be teaching any courses this year on graphic design or animations?

Facts

- Chris is originally from Maryland.
- Joined the OUC in November of 2017 after working at the Anschutz campus for 4 years.
- An avid mountain biker, when the weekend comes you can often find Chris on the trails.
