CU-Data: Grants and Contracts [1]

The purpose of the CU-Data: Grants and Contracts Course is to provide participants with an overview of common financial management tasks for Grants and Contracts at the University of Colorado, and the CU-Data m-Fin reports (in the Cognos Financial Reporting System) that can facilitate accomplishing these tasks.

Program Level: Basic

Prerequisites: None

Advanced Preparation: N/A

Instructional Method: Group-Live

Instructor: Sarju Khadka [2]

Recommended CPE Credit: 2.0 Hours

Field of Study: Computer Software and Applications

Course Objectives:

At the end of the course, participants will be able to:

- Identify common financial management tasks for Grants and Contracts at the University of Colorado;
- Comfortably navigate the CU-Data system to run reports; and,
- Choose the appropriate m-Fin report for each common financial management task.

Program Policies [3]

NASBA Statement

The University of Colorado is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.learningmarket.org [4].
