CU-Data: Payroll Reports [1]

The purpose of the CU-Data: Payroll Reports Course is to provide participants with an overview of the CU-Data m-Fin reports (in the Cognos Financial Reporting System) that display payroll information, and how to read and understand these reports.

Program Level: Basic

Prerequisites: None

Advanced Preparation: N/A

Instructional Method: Group-Live

Instructor: Sarju Khadka [2]

Recommended CPE Credit: 1.0 Hours

Field of Study: Computer Software and Applications

Course Objectives:

At the end of the course, participants will be able to:

- Identify the CU-Data m-Fin reports that display payroll information;
- Comfortably navigate the CU-Data system and run reports; and,
- Explain how to read the m-Fin payroll reports.

Program Policies [3]

NASBA Statement

The University of Colorado is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.learningmarket.org [4].
