Mastering m-Fin: Running & Scheduling Reports - Course Recording & Resources [1]

The purpose of the Mastering m-Fin: Running & Scheduling Reports course is to present the different options for running, saving, and scheduling reports in the CU-Data financial reporting system. During this in-depth demo and discussion, participants will learn how to navigate CU-Data to run reports, re-prompt reports for new values and formats, and schedule reports to run automatically.

Recorded Webinar 3/12/26 (You cannot receive CPE credit for watching the recording.)
