# CPE Reminder: Upcoming Classes in Work-Life Balance, Excel, and JE Spreadsheets [1]

April 13, 2023

Nurture your personal and professional performance ... polish your skills in Excel ... or learn how to upload large journal entries through spreadsheets.

You can pick up a variety of tips in a Continuing Professional Education (CPE) class this month and next. Check out our Schedule and Registration [2] page to learn more about content - and how to register - for our currently scheduled courses. We'll announce additional courses later this month.

As always:

- The Office of University Controller provides no-cost CPE for the University's Certified Public Accountants (CPAs) and no-cost professional development for employees in general.
- Use your CU-affiliated email address to avoid incurring a registration fee.
- If you have questions, drop us a line at CU.CPE@cu.edu [3].
