

CU Innovation & Efficiency Awards: This Year's Submissions Have a Lot to Share ^[1]

April 13, 2023

The 2023 program year for the CU Innovation & Efficiency (CU I&E) Awards ^[2] has concluded -- and we have an impressive group of submissions to share with you.

Employees from across the University have shared some of the many things they do to make CU work better. Perhaps their innovations will work for **your** department -- or perhaps they will inspire you to develop your own.

We encourage you to review the many entries on our CU I&E Current Submissions ^[3] website. Contact information is available for every submission, so please feel free to reach out directly to the innovative team with any questions.

And yes -- more on the continuing awards process in our next newsletter.
