Getting Help: Financial Services & Solutions (FSS) [1]

In September 2021, the Office of University Controller (OUC) and Procurement Service Center (PSC) reorganized how they deliver help desk and training functions. As part of this restructuring, the OUC’s longtime Finance & Procurement Help Desk (FinProHelp) transitioned into two new units:

- The OUC's Financial Services & Solutions (FSS) team continues to provide *finance-related assistance* previously available from FinProHelp.
- The PSC Service Desk now provides much of the *procurement-related assistance* previously delivered by FinProHelp.
