

## **2015 OUC Town Hall Registration** <sup>[1]</sup>

### **What is a town hall?**

A lot has been going on at the Office of University Controller (OUC) over the past year. Much of this has been related to the Elevate FIN 9.2 upgrade project. In September-October, we will be visiting the campuses to help you prepare for the November go-live. In an OUC Town Hall, you will be able to:

- Learn about the new PeopleSoft FIN 9.2 system
- Find out things you can do to get ready for the upgrade
- Get your questions answered by staff of the OUC and your campus finance office

**Note:** A big thank you to all attendees at the OUC Town halls in Colorado Springs and Boulder. If you weren't able to attend, you might be interested in joining our [OUC Town Hall Webinar](#) <sup>[2]</sup>.
