Frequently Asked Questions

Q: **What if I have other changes to the SpeedType -- besides fiscal staff?**
A: For other changes to SpeedTypes, use the ChartField Request - SpeedType, Program, Subclass form [3].

Q: **Can I just email my fiscal staff changes instead of filling out a form?**
A: Yes! SpeedType Fiscal Staff requests can be emailed to your campus controller's/finance office (email addresses provided at bottom of form) instead of completing the full form itself. Required information to email is described on the form and includes name, position number, primary fiscal staff designation, action (add, modify, delete), and attribute.
