Personal Technology and Telecommunications Guidelines for Organizational Units [1]

Used to provide a template for the organizational unit to document its guidelines for providing wireless telecommunications equipment/service.

Download: Personal Technology and Telecommunications Guidelines for Organizational Units Form [2]

Effective Date: 04/05/2007

Frequently Asked Questions

Q: When would I need to fill out this form?
A: This form is simply a template -- a guide for developing and documenting org unit guidelines for providing wireless telecommunications equipment/service. If your org unit does not provide such equipment or service, you don't need to complete the form.

Q: What do I do with this form -- send it somewhere?
A: Retain the form in your org unit files.
