

Jennifer Bosma - CPE Instructor ^[1]

Jennifer Bosma is a Systems Analyst and Project Manager in the Technologies Unit in Employee Services at the University of Colorado. Jennifer began working at the University as a student in 2000. After graduating, she accepted a permanent position as an Accountant. While in that role, she developed an interest in system analysis, design, and data extraction. That interest led her to her current role in which she works on system upgrades and implementations, campus-wide business operations projects, and fulfilling data requests.

Jennifer has a B.S. in Business Administration with an area of emphasis in Finance from the University of Colorado Boulder.
