

Kenyetta Rose - CPE Instructor ^[1]

Kenyetta Rose is the Finance Training & Support Specialist at the University of Colorado, Office of University Controller.

Kristina is responsible for providing clear, accurate, and accessible financial training and guidance to staff across the CU System. She helps employees navigate CU's financial systems and procedures effectively, while ensuring compliance with University, state, and federal requirements. Some of her main responsibilities include developing and delivering finance training sessions; providing system support and troubleshooting for fiscal staff; and assisting with the implementation of financial policies, procedures, and reporting tools.
