

Kristina Mendez - CPE Instructor ^[1]

Kristina Mendez is the Finance & Procurement Learning Specialist at the University of Colorado, Office of University Controller.

Kristina develops learning resources on the PeopleSoft Finance System, CU-Data (m-Fin reports in the Cognos Financial Reporting System), Concur Travel & Expense System, and CU Marketplace e-procurement system.

Kristina has a Bachelor of Business Administration (BBA) degree in Accounting (minor in Marketing) from Hofstra University and has worked in the private sector in both accounting and the hospitality industry. She joined the Office of University Controller in 2016 after several years as an area accountant at the Anschutz Medical Campus.
