Lexie Kelly - CPE Instructor [1]

Lexie is currently a CU System employee in the Office of Policy and Efficiency.

She was previously the University of Colorado Assistant Treasurer, responsible for managing the University's banking relationships and merchant services. She consulted on bank accounts, credit card accounts, e-commerce, and PCI DSS compliance certification for the university while working with the campuses to implement best business practices. Lexie began her CU career at CU Boulder in 1994 and joined the Treasurer's Office in 1996. Prior experience includes program management at the YMCA and self-employment. She received her B.S. degree from Colorado State University.
