

## **m-Fin Reports in CU-Data (Cognos)** <sup>[1]</sup>

### **m-Fin Reports are financial reports created in CU's Cognos software and accessed through the CU-Data system in the portal**

m-Fin stands for *management financial*. m-Fin reports are: Cognos technology; for internal CU use; drawn on financial data from CU's Central Information Warehouse ([CIW](#) <sup>[2]</sup>); tuned for performance with reasonable run times; developed with input from CU administrative financial data users; and, published and maintained by CU's Office of University Controller (OUC).
