m-Fin Reports in CU-Data (Cognos) [1]

m-Fin Reports are financial reports created in CU's Cognos software and accessed through the CU-Data system in the portal

m-Fin stands for *management financial*. m-Fin reports are: Cognos technology; for internal CU use; drawn on financial data from CU's Central Information Warehouse (CIW [2]); tuned for performance with reasonable run times; developed with input from CU administrative financial data users; and, published and maintained by CU's Office of University Controller (OUC).
