Mastering m-Fin: CU-Data Upgrade [1]

The purpose of the Mastering m-Fin: CU-Data Upgrade course is to offer participants an exploration of the enhanced Cognos 12 environment and to empower m-Fin report users with the skills needed to navigate the upgraded user interface and leverage its new features.

Program Level: Basic

Prerequisites: None

Advanced Preparation: N/A

Instructional Method: Group-Internet Based

Instructor: Kristina Mendez [2], Sarju Khadka [3]

Recommended CPE Credit: 1.0 Hours

Field of Study: Computer Software and Applications

Course Objectives:

At the end of the course, participants will be able to:

- Identify user interface differences between Cognos 11 and the upgraded Cognos 12 environment
- Navigate the upgraded environment to run and schedule m-Fin reports
- Utilize the new Favorites feature to save frequently accessed folders and reports

Program Policies [4]

NASBA Statement:

The University of Colorado is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.learningmarket.org [5].
