CU-Data Upgrade Rescheduled: Thursday Evening, August 15 [1]

August 15, 2024

The planned upgrade for the CU-Data reporting system – originally set for Wednesday evening, August 14 – has been rescheduled to Thursday evening, August 15.

Although the new CU-Data interface will look different from the current version, all of our m-Fin reports will function the same. To get ready for the upgrade, please:

- Review our CU-Data Upgrade website [2].
- Look for our OUC New articles [3]. (We also announce our News through email. If you have a Finance role, you're automatically on our email distribution list. If you're not receiving our OUC News emails... and want to ... you can let us know here [4].)
- Check out our CPE-eligible webinars [5].
