Did You Know? University and Campus Controller Offices [1]

December 4, 2025

Did you know ...

Each campus has its own controller’s office, which works in collaboration with the Office of University Controller (OUC) at CU System, 1800 Grant St, Denver.

When you're looking for guidance on finance policies, procedures, or forms ... for example:

- Administrative Policy Statements (APS)
- Finance Procedural Statements (many of these were previously known as "PSC" Procedural Statements)
- Finance Forms (many of these were previously known as "PSC" forms)

You can always reach out to the Office of University Controller (OUC) Financial Services & Solutions team at FSS@cu.edu [2].

We provide CU System Administration policy guidance ... and connect you to your individual campus controller's office for additional, campus-specific guidance.

We've created a listing of key campus finance office contacts for specific questions at https://www.cu.edu/controller/campus-controllers-finance-offices [3].

So - reach out with your questions! We're all happy to help you navigate the world of financial systems, policies, and forms.
