m-Fin Report Users: Get Ready for the CU-Data Upgrade [1]

February 1, 2024

On March 14, the CU-Data reporting system will be upgraded to Cognos 12 -- introducing an enhanced User Interface (UI) with streamlined navigation and other features.

You have several ways to help make an easy transition to the new version:

- Review our CU-Data Upgrade website [2].
- Look for our OUC Newsletter articles and emails:
  - You'll find News articles on the OUC website [3].
  - We also announce our News through email (if you have a Finance role, you're on our email distribution list).
  - If you're not receiving our OUC News emails... and want to ... you can let us know here [4].
- Sign up for the m-Fin blog [5].
- Check out our CPE-eligible webinars [6].

Questions? Use the Questions & Feedback form at the bottom of the upgrade website ... or contact the OUC's Financial Services & Solutions (FSS) team at FSS@cu.edu [7].
