Next Month brings a CU-Data Upgrade [1]

February 16, 2024

As discussed earlier this month [2], m-Fin report users will see some changes in CU-Data on March 14, when the reporting system is upgraded to Cognos 12.

The good news is -- the changes are good, and we have resources to help you get ready for them:

- Review our CU-Data Upgrade website [3].
- Look for our OUC Newsletter articles and emails:
  - You'll find News articles on the OUC website [4].
  - We also announce our News through email (if you have a Finance role, you're on our email distribution list).
  - If you're not receiving our OUC News emails... and want to ... you can let us know here [5].
- Sign up for the m-Fin blog [6].
- Check out our CPE-eligible webinars [7].

Questions? Use the Questions & Feedback form at the bottom of the upgrade website ... or contact the OUC's Financial Services & Solutions (FSS) team at FSS@cu.edu [8].
