CU I&E Award Submissions Beginning to Arrive! [1]

February 19, 2025

We just opened up the 2025 CU Innovation & Efficiency (CU I&E) Awards [2] Program on February 1 ...

We're already seeing submissions from enterprising CU employees!

What happens when we receive a submission?

- CU I&E Program Manager Stephen Heymann reviews the information (text, as well as any attachments and links) and reaches out to the submitter if there are questions.
- Next is a round of internal vetting by the selection committee to ensure that the submission meets program requirements.
- Then, we publish it on the OUC website's Current Submissions page. *We'll let you know as submissions are posted.*

Be sure to tell us what **you've** done!

This year's program is open through March 31, 2025.
