Recognition Feels Good: Check out the CU Innovation & Efficiency Awards Program [1]

February 23, 2023

Valentine's Day may be a week ago, but we still **love** hearing about how you've improved your department business processes and saved CU time, money, and hassles.

The CU Innovation & Efficiency (CU I&E) Awards Program [2] is designed to recognize you – by sharing your project with colleagues across CU, and maybe even by sending you a cash award (up to $1,500 subject to taxes and withholding).

We're beginning to post submissions [3] we're receiving this year from your colleagues. So, tell us what you have done! Have you:

- Streamlined business operations?
- Enhanced communication?
- Developed employee engagement programs?
- Improved customer service?
- Or otherwise made CU work better?

Check out the CU I&E website for program requirements and submission form instructions [2].

Questions? Contact CU I&E Awards Program Manager Fran Chapman [4].
