CU I&E Awards Program: Five Weeks to Go! [1]

February 26, 2025

We're just three weeks into the 2025 CU Innovation & Efficiency Awards Program -- with five weeks to go. We'll be posting our first submissions this week!

So don't be shy ... don't hesitate: share your accomplishments with colleagues across the University of Colorado. Tell us how you've improved business processes or operations. We especially want to hear from those of you who've gone outside the scope of your usual job duties to make things work better at CU.

Your story can inspire other employees to take a new look at their departmental procedures. And it may even win you a cash prize.

- For information and the submission form: visit our CUI&E website [2].
- For questions: contact CU I&E Program Manager Stephen Heymann [3].

We look forward to hearing from you!
