CU Innovation & Efficiency Awards: 2025 Program Now Open! [1]

February 7, 2025

The Office of University Controller (OUC) is delighted to announce that the 2025 CU Innovation & Efficiency Awards Program is now open and accepting submissions!

This is your chance to tell us how you've re-engineered operations, enhanced communication, built employee engagement, improved customer service, or otherwise made CU work better. We are especially interested in hearing from employees who have gone outside the scope of their usual duties and responsibilities to develop solutions and solve problems for their teams, programs, or units.

For information on the program, including possible cash prizes, visit our CU I&E website [2]:

- Watch our beautiful new promo video
- Learn about submissions (and winners!) from previous years
- Familiarize yourself with program requirements
- Then -- share **your** accomplishments!

Questions? Contact CU I&E Awards Program Manager Stephen Heymann [3].
