

Capital Assets: Threshold Updates ^[1]

January 29, 2026

We've recently updated the Capital Assets chapter of the Accounting Handbook to reflect the new and different thresholds at the campuses:

- Effective July 1, 2025, the equipment capitalization threshold is \$10,000 for CU Boulder and System Administration.
- That threshold remains at \$5,000 for UCCS and CU Denver|Anschutz, consistent with their currently approved indirect cost rates.

For questions, please reach out to your campus controller's office contact:
