

## **Finance System PUM Update: Saved Searches Reminder** <sup>[1]</sup>

March 1, 2024

On February 18, we implemented the annual PeopleSoft Update Manager (PUM) update for the Finance System.

- This update brings some enhanced user experience benefits, as discussed earlier <sup>[2]</sup>.
- It also brings a change for individuals who've used **Saved Searches**.

Most of our FIN users have found Saved Searches valuable in their Journal Entry search pages. If you've saved any searches for JE or other pages in FIN, you'll need to recreate them in the new post-PUM environment.

If you haven't saved searches yet ... Take a look at our instructions <sup>[3]</sup>, because this approach can save you time!

**Questions?** Use the Questions & Feedback form at the bottom of the PUM transition webpage <sup>[2]</sup> ... or contact the OUC's Financial Services & Solutions (FSS) team at [FSS@cu.edu](mailto:FSS@cu.edu) <sup>[4]</sup>.
