Tell us What You've Done - Soon! CU I&E Awards Final Month [1]

March 9, 2023

You still have time. Join your colleagues in telling us what you've done to make CU work better.

We continue to receive submissions to this year's CU Innovation & Efficiency (CU I&E) Awards Program [2] - and our team is currently reviewing some great entries prior to posting them.

Now it's your turn -- to share your project with colleagues across CU, and maybe even earn a cash award (up to $1,500 subject to taxes and withholding).

So ... if you've streamlined business operations, enhanced communication, promoted employee engagement, improved customer service, or otherwise made CU work better ... let us know!

Check out the CU I&E website for program requirements and submission form instructions [2].

Questions? Contact CU I&E Awards Program Manager Fran Chapman [3].
