CPE: New Classes include In-Person Options [1]

March 13, 2026

March into learning this month, and next, with a handful of virtual classes and an option for in-person classes at your campus.

We're updating our Continuing Professional Education (CPE) offerings on the OUC's Schedule and Registration [2] website.

- Enhance your personal development skills, knowledge of financial reporting and identity theft, and understanding of tax issues through the convenience of live webinars.
- Take a deep-dive into financial queries in the collegial environment of campus classrooms.

We look forward to seeing you soon!
