

Scheduled Reports Need Current Passwords ^[1]

March 10, 2022

If you've scheduled m-Fin reports to run automatically at month-end, please note that changes to your network password can interrupt that process.

If you've changed your password recently, be sure to **renew your credentials** so your schedules continue to work:

1. Log in to CU-Data
2. Click the user icon on the top right of the CU-Data page
3. Click **My Preferences**
4. Select the **Personal** tab
5. Click **Advanced**
6. Click the **Renew** link, to the right of **Credentials**
7. Enter your user name and password
8. Click **OK**

Questions? Contact the OUC's new Financial Services & Solutions (FSS) team at FSS@cu.edu ^[2].
