Continuing Professional Development: Ready to Learn Something New? [1]

March 17, 2023

Here's an opportunity (actually - many opportunities) to learn something new. The Office of University Controller is scheduling a series of Continuing Professional Education (CPE) courses over the next several months.

Times/days and registration links will be added to our CPE website [2] next week - we'll let you know when that happens.

Spoiler alert - you'll be seeing classes on these and other topics:

- Budget Basics
- Business Process: multiple options
- ePERS
- Ethics
- Excel: multiple options
- External Audits
- Fiscal Roles and Responsibilities
- Gift Cards
- Journal Entry Spreadsheets
- Leadership: multiple options
- m-FIn Reports and CU-Data: multiple options
- Recognition
- Understanding University Tax Liabilities

As always - these sessions provide free CPE for Certified Public Accountants (CPAs) and free professional development for non-CPAs.

Course details and registrations will be published on the OUC website [2]. Important: When registration opens, be sure to register using your CU-affiliated email address -- not your personal email -- to avoid incurring a charge.
