CU I&E Awards: There's Still Time to Share Your Innovation [1]

March 17, 2023

Yes, there's still time. Perhaps even more time than you thought.

The formal deadline for this year's CU Innovation & Efficiency Awards Program submissions is Friday, March 31. However, since the deadline is a Friday, and since we've seen how often you submit CU I&E projects over the weekend, we are leaving the submission form OPEN over the weekend for your convenience. That means you actually have until end of day, Sunday, April 2, to tell us how you've improved business processes at CU.

And we look forward to hearing from you and learning what you've done!

Check out the CU I&E website for program requirements and submission form instructions [2].

Questions? Contact CU I&E Awards Program Manager Fran Chapman [3].
