CU I&E Awards: 5 Days till Submission Deadline! [1]

March 26, 2026

There's still time ... to share what you've done, inspire your colleagues, and maybe win a cash prize!

The CU Innovation & Efficiency (CU I&E) Awards Program recognizes employees for their good work across CU System -- saving time, saving money, saving hassles.

When you share what you've done to improve business processes in your own department or program, you prompt other employees to think about making improvements in theirs.

So tell us what you've done! (Our online submission form [2] makes it easy.)

But don't wait too long ... this year's recognition program runs through **midnight, Tuesday, March 31.**
