March 29, 2023

Want to learn more about Excel ... running m-Fin reports ... how fiscal roles impact financial management ... or how to improve your performance at work?

We're building the Continuing Professional Education schedule for calendar year 2023 and have opened up courses in April for registration.

Check out our CPE website [2] - and when you register, be sure to use your CU-affiliated email address to avoid incurring a charge.
