

CPE: Professional Development Opportunities Available ^[1]

March 30, 2022

The Office of University Controller is pleased to present several ways for you to hone your skills this spring.

Our upcoming Continuing Professional Education (CPE) webinars offer pathways to help you understand your fiscal roles and responsibilities, learn how to manage journal entry spreadsheets, improve your org unit's business processes, and enhance your professional presentation skills.

These sessions provide free CPE for Certified Public Accountants (CPAs) and free professional development for non-CPAs.

Course details and registrations are available on the OUC website ^[2]. Important: Register using your CU-affiliated email address -- not your personal email -- to avoid incurring a charge.
