Annual Financial Reports on the OUC Website [1]

May 2, 2022

As you know, each year the Office of University Controller publishes the University's Annual Financial Report (AFR) on the OUC website. The FY2021 AFR [2] was announced in December 2021.

But did you know that you can also access previous years' reports online? Departments often contact us for earlier AFRs since applications for grant funds may require submitting multiple years' reports.

You can find these on our External Reporting [3] page. From our home page at www.cu.edu/controller [4], select Accounting & Finance, and then External Reporting. You'll find the Annual Financial Reports, Office of State Auditor Reports, Supplementals (campus-level fund financials), and other documents for past years.

Questions? Contact accounting@cu.edu [5].
