# CPE: Enhance Your Virtual Presentation Skills in June [1]

May 19, 2022

In response to a number of inquiries: yes, we **do** have space available to register in our next Presenter Certification class!

We're often asked for tips on how to more effectively manage meetings, presentations, and other events. We've recently joined with you to share ideas on effective Content & Delivery, interactive Elements of Engagement, and communication-friendly Visual Design & Resources. Next, we're offering module 4 of the Presenter Certification series, Virtual Presentations, on Thursday, June 2.

Our Continuing Professional Education (CPE) webinars offer pathways to help you enhance your professional skills. These sessions provide free CPE for Certified Public Accountants (CPAs) and free professional development for non-CPAs.

Course details and registrations are available on the OUC website [2]. Remember to register using your CU-affiliated email address -- not your personal email -- to avoid incurring a charge.

Questions? Contact CU.CPE@cu.edu [3].
