CPE: Course Registration Available Now [1]

May 20, 2025

We've recently updated the OUC website with several Continuing Professional Education (CPE) classes. Learn more about:

- University fiscal roles and responsibilities
- How to upload large journal entries through spreadsheets
- What are the red flags for identify theft

You'll find course information and registration links on the CPE Schedule & Registration page [2].

We'll be scheduling additional courses next month.

As always:

- The Office of University Controller provides no-cost CPE for the University's Certified Public Accountants (CPAs) and no-cost professional development for employees in general.
- Use your CU-affiliated email address to avoid incurring a registration fee.
